## Should You Be Baptized?

This lesson will ask and answer such questions as: What is baptism? What is its biblical history? What is its purpose? What is its meaning for today's 21st-century man? Why is it indeed a vital step in achieving personal entrance into the Kingdom of God?

## Why You Need The Holy Spirit

Man's real problems are spiritual in nature and the natural man simply cannot solve spiritual problems. In producing the computer or in flying to the moon, he is dealing with physical matter which he can understand because of the human spirit within him. But he cannot solve problems with fellow humans because this involves knowledge and understanding of spiritual principles which he cannot comprehend without the addition of another spiritual element to his mind!

## 8 Lies Christians Believe

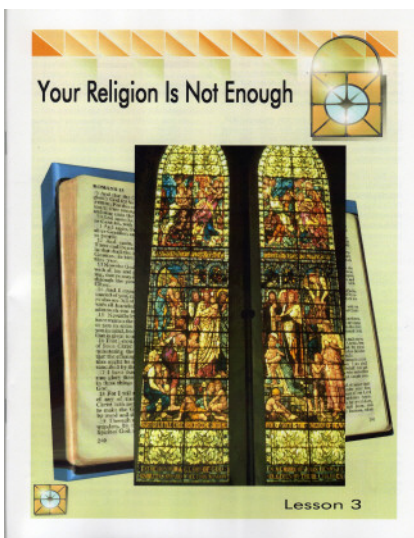

Why do so many individuals, capable of understanding almost any other book, say:

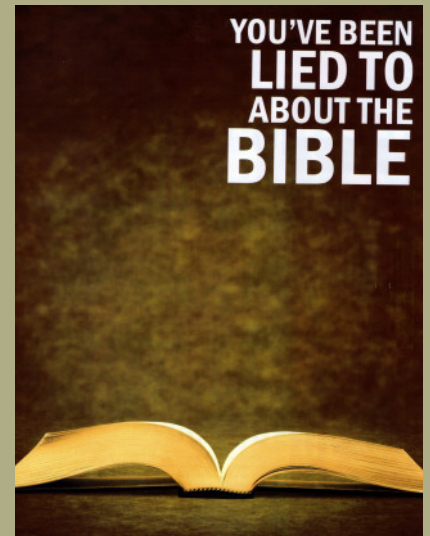

I just CAN'T understand the Bible?

EVERYONE WANTS a life full of satisfaction, interest, accomplishment and joy. Yet most people are discontented, worried, often fearful, restless, bored, dissatisfied and with a sense of emptiness.

MISPLACED CONFIDENCE in a FALSE CONVERSION is a GREAT and MORTAL DECEPTION which could very easily cause one to forfeit ETERNAL LIFE! It is such a DANGEROUS deception because one's own personal VANITY will, in many cases, prevent one from admitting that HE OR SHE HAS NEVER BEEN CONVERTED!

8-Today Is the Only Day of Salvation

For the last 6,000 years and on rare occasion God has been calling His elect to rule and reign with Him at Christ's return. Jesus said to those who would get the victory over their sins by the power of the Holy Spirit dwelling within, that THEY would be given power over the nations and would rule them with a rod of iron. (Revelation 2:26-27) God is training future leaders that will, together with Jesus Christ, bring about the government of God on this earth. Will YOU be a part of that government? Are YOU part of the problem or will YOU be a part of the solution?

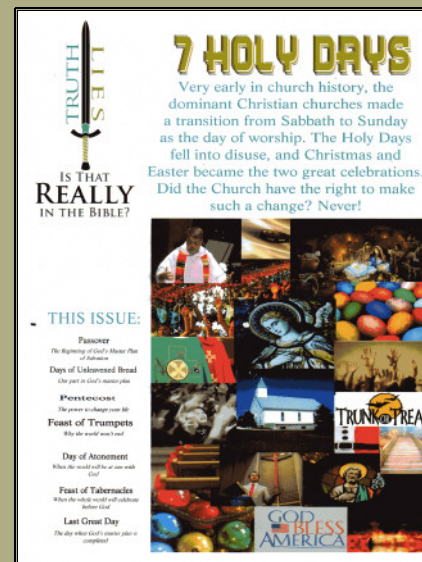

The Bible reveals that we were born for a tremendous, awe-inspiring purpose. But few really understand what that purpose is. To fully understand God's glorious purpose for mankind, let's begin this study in the first chapter of Genesis.

Very few have ever reflected on why they believe what they do--why they follow the customs they do, or from where those customs came. We were born into a world filled with customs. We grew up accepting them without question.

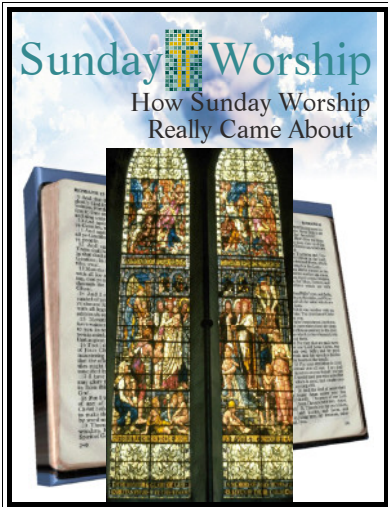

But by nature we do tend to follow the crowd, whether right or wrong. Sheep follow others to the slaughter. Humans ought to check up where they are going. How-when did Christmas originate? Does Christmas really celebrate the birthday of Christ?

Here is a booklet that takes you back through the historical events that led to the practice of going to church on Sunday.

No arguments, no defense of the Sabbath, no challenges or doctrinal dissertations.

Just plain facts that every Sunday keeper should know in order to understand the reason why the Bible teaches observance of the Seventh Day Sabbath but everybody goes to church on Sunday.

## BIBLE STUDY

LESSON ONE  
The Beginning of God's Master Plan

### Passover

This Blood's For You

Paul said Christ is "our Passover" sacrifice. What did he mean? Most people assume that Christ's death FINISHED the plan of God. Nothing could be further from the truth. Let's understand why.

Lesson Three

### Pentecost

#### Firstfruits

The next mystery, your Bible reveals, will be called later--most not until after Christ's return. These thousands of million cannot come to Christ and become part of God's Church now--even if they try! Jesus said so, plainly, "No man can come to me, except the Father which hath sent me draw him" (John 6:44). Comparatively speaking, God has been drawing only a few in this age, but for a great purpose.

Why has God called the few He has? For what purpose has God drawn and put into His Church His firstfruits? Has God drawn these few and put them into His Church, so we could, just as they can, partake and enjoy the fellowship and social life of the local congregation?

LESSON TWO

### Our Part in God's

## DAYS OF UNLEAVENED BREAD

### Master Plan

The sacrifice of Jesus Christ made possible the forgiveness of our past sins--the first step in God's Master Plan. The second annual festival of God pictures the NEXT STEP in His plan of salvation for mankind.

Most of modern Christianity teaches that there is nothing more for us to do but believe in Christ's sacrifice for our sins. He rescues us by portraying us as a dead Sinner hanging on a cross!

Christ's death, pictured by the Passover, was necessary to pay the penalty of our past sins--its responsibility will not save us! Think, for a moment, if Jesus Christ had died but not been resurrected, would His death alone make eternal life possible? Of course not! Accepting Christ's sacrifice is only the first step in God's plan for bringing humans into the divine family.

The Feast of Trumpets pictures the angels' great trumpet call in world history--the Second Coming of Jesus Christ!

Lesson Four

## FEAST OF TRUMPETS

### Why The World Won't End

WHY are the churches of this world confused over the most important knowledge available to this generation? Your Bible reveals in graphic detail the Second Coming of Jesus Christ in warrior's dress to set up the Kingdom of God on earth. Yet the world seems to understand almost nothing about this prophetic event and the annual festival that pictures it!

Think of it! God, in a very few years, will send the living Jesus Christ again this time to save mankind from nuclear mass destruction, to end human misery and suffering, and to usher in peace, happiness, and joy for all mankind! He will come to rule over our world and judge all nations and usher in the happy, peaceful world of tomorrow.

Lesson Five

## Day of Atonement

After Jesus Christ returns, what will be the most important step in establishing peace on earth? No major denomination knows the answer. Why? This significant step is pictured by the annual Day of Atonement.

### The World At One With God

### Satan to be bound a thousand years

YOU have probably heard that there is a "great controversy" between God and Satan. That Christ and the devil are in a running battle for men's souls. If this were true, then Satan is winning! More people are "saved" today than ever before. Satan, according to this view, is made out to be more powerful than Christ. But Satan is not stronger than Jesus Christ! Jesus is returning, on His promised, to depose Satan and set up the Kingdom of God. When Christ returns He will not leave this world--its governments, its societies, its religions, its sports, its economy--in the hands of the devil. Instead of violence and competition, there will be a new era of peace and cooperation.

Lesson Six

## Feast of Tabernacles

When the whole world will celebrate before God

And it shall come to pass, every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the Lord of hosts, and to keep the Feast of Tabernacles.

Lesson 7

## Who Is David Freeman and “Is That Really In The Bible?”

David Freeman has been in the ministry for over 20 years, he also is part owner of a business called U. S. Stone Corp. He works full time so he is not dependant on the church to make a living. *Is That Really In The Bible* is an evangelistic tool that David created that deliberately challenges people’s belief systems. Until a person is challenged, he will continue to live in his comfort zone of religious lies and deceptions! The Church of God Rocky Mount sponsors the evangelistic work of *Is That Really In The Bible*. Locally it airs on BTW 21 and Star News out of Martinsville, Virginia. However, most of the outreach is through social media, YouTube, GodTube, Facebook, SoundCloud, Vimeo and the web site, [IsThatReallyInTheBible.net](http://IsThatReallyInTheBible.net)
